

Application No. 10/657472
Page 9

Response To Restriction Requirement

REMARKS

Applicants provisionally elect species 14, corresponding to FIG. 30. Claims 1-14 and 19-25 are readable upon the elected species.

Applicants note however that in addition to those species identified in the Office Action as corresponding to specific figures depicted in the Application, additional species may exist which are described in the specification and claims and which are not subject to the restriction requirement identified by the Office Action.

Conclusion

In view of the foregoing it is believed that the present application, with claims 1-35 is in condition for allowance. Early action to that effect is earnestly solicited.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
